Parys Amazing Race Proposal

"I decided that adventure was the best way to learn..."
Lloyd Alexander

"It is only in adventure that some people succeed in knowing themselves - in finding themselves."
André Gide

Thank you very much for affording us the opportunity to present you with a proposal for An Amazing Race for your team around Parys.

As with any program that is not an off the shelf package, programs are tailor-made to suit your requirements. The programme below details a +-2-3 hour event plus additional time for a leisurely lunch. This is a lovely, relaxed way for the team to mingle and relax in each other's company away from the usual stressors and activities at work.

The race in this case can be designed to be more or less competitive. In this instance, people usually choose the former as the sights are so lovely in the town they prefer to walk along slowly and enjoy them.

PARYS:

Parys is the gateway to the Vredefort Dome, the Oldest and largest meteorite impact site in the world. This picturesque town on the Vaal River reminds you of the French city on the banks of the Seine. Today Parys offers a happy medium between old world country charm and adventurous outdoor activities.

The race would allow the teams to explore the town on foot by guiding them to all the choice tourist areas, through the clues, ending with a final fun clue for them to decipher to find a small token treasure to remind them of the day.

HOW IT WORKS:

The team arrives in Parys and are sent on their way with a snack pack (Chips and a chocolate) and water with their set of clues. At each waypoint is a punch with certain code on. Once all the waypoints have been visited, they then proceed to decipher the clue which leads them to a delightful restaurant with plenty of grass and shade where they can enjoy a delicious lunch.
